

Waterproof Double Hole Button Switch

Model: BX2-22

Specifications:

- Type: Normal open
- Number of holes: 2
- Structure: Power built-in type
- Usage: Control button, start button, reset button, disconnecter, change-over switch, control switch
- Contact type: Type C contact
- Detection method: Retro reflective mode
- Nominal insulation voltage $U_i(V)$: 500V
- Rated current $I_{th}(A)$: 10A 20A 36A
- Ambient temperature: 25~55°C
- Vibration resistance: 500Hz, Amplitude about 1.0mm
- Size: 105 (L) x 72 (L) x 62 (H) mm
- Hole size: $\phi 22\text{mm}$
- Box Material: Plastic
- Protection degree: IP65 (Waterproof & Dustproof)

Made in China
