

# Remote Control

## Model: AN-MR500G

### ***Features:***

#### **Smart TV Remote**

The Magic Remote is all you need to control your entertainment. Simply click, scroll or use LG's unique Voice Mate™ speech recognition to change the channel or find something to watch. Now you can spend less time navigating and more time enjoying your entertainment.

#### **Less Time Navigating**

Easily select features on your TV with the wave of your hand, the scroll of a wheel or use LG's unique Voice Mate™ TV remote that is capable of recognizing how you naturally speak to change channel, volume or find something to watch. Plus control your Blu-ray, home theater system, set-top-box and sound bar with just one remote. Now, you can spend less time navigating and searching for TV remotes and more time enjoying your entertainment.

#### **Get Rid of Your Remote Collection**

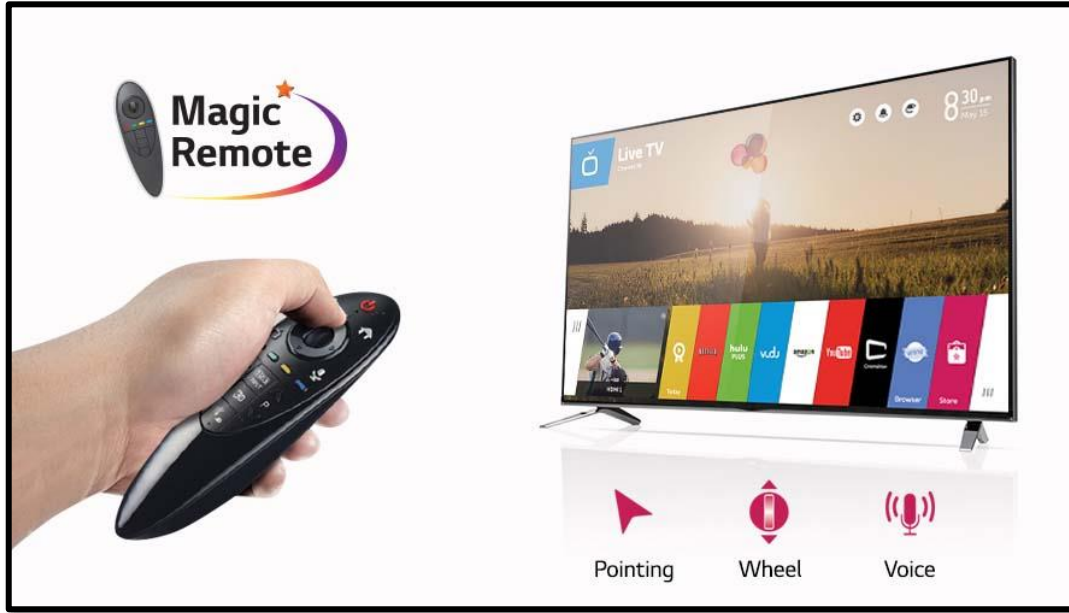

Get rid of multiple TV remote controls. Your LG Magic Remote can control your Blu-ray, HTiB, Set-Top-Box and sound bar so you don't have to search for the right remote for each of your different media devices.
