

## ***LASER DISTANCE METER 50M***

***Model: GLM 500***

### **Features:**

- 2-in-1 360° Measuring Device
- Easy and Fun - Color display for high user intuition
- Color Screen Display
- Precise - Measuring range of up to 50 meters
- Versatile - 2-in-1 distance and inclination measurer Tool features
- Robust & Reliable - ISO certification and protection class IP54
- Automatic storage of the last 20 measured values
- 10000 individual measurements battery life

### **Specifications:**

- ❖ Laser Diode: 635nm, <1mW
- ❖ Measurement Range: 0.05-50m
- ❖ Laser Class: 2
- ❖ Measurement Accuracy, Typical: +/-1.5mm
- ❖ Measurement Range of incline Measurement: 0-360° (4\*90°)
- ❖ Measuring Accuracy: +/-0.2
- ❖ Measurement Time, Typical: <0.5s
- ❖ Measurement Time, Max: 4s
- ❖ Power Supply: 2\*1.5V LR03 (AAA)
- ❖ Automatic Deactivation: 5min
- ❖ Units of Measurement: m/cm, ft./inch
- ❖ Memory Capacity (Values): 20
- ❖ Battery Lifetime, Individual Measurement: 10000
- ❖ Battery Lifetime, Operating Time: 2.5h
- ❖ Dust and Splash Protection: IP54
- ❖ Tripod Thread: 1/4"
- ❖ Dimensions: 106x21x45mm

## Applications:

*Made in China*
