

26"-63" Slim Flat Wall Mount TV Bracket

Features:

- Magnetic bubble level: Perfect positioning is guaranteed by removable magnetic bubble level.
- Universal Hole Pattern: Random hole pattern and side to side adjustment allow mount to fit nearly all flat panel TVs.
- Performance strong: Solid heavy-gauge steel construction & durable power coated finish ensure strong performance of all the Accent TV mounts.
- Safety screw ensures the TV is safely connected to the wall mounting plate, so you don't have to worry about accidentally knocking off the TV from the wall.
- Quick and easy to install - bracket comes complete with integrated bubble level and FREE INSTALLATION Screws and Fittings
- Low-profile design ensures TV is close to the wall for a sleek finish. Open plate design assures easy access to back of the TV and cables.

Safety Instruction:

1. All TV Wall Bracket should be installed on concrete wall, solid brick wall and solid wood wall. Do not install on hollow and floppy walls.
2. Tighten the screw so that wall plate is firmly attached, but do not overtighten. Overtightening can damage the screws reducing their holding power.
3. Do not remove screw or loosen screw if the TV is engaged with the mount. Doing so may cause the TV screen to fall.
4. For safe and secured installation, please be make sure to use the expansion bolt when you install the TV bracket to the wall
5. All TV MOUNTS should be installed by specialist.
