

LED UV Projection Floodlight 50W

Specifications:

- Voltage: 220V
- Frequency: 50-60Hz
- Power: 50W
- LED light source: COB
- Light color: purple (Ultraviolet light)
- Wavelength: 365nm
- Lumens: 100LM/W
- Beam angle: 120 degrees
- Standard illumination distance: 3-5m
- Ideal illumination distance: 2-3m
- Irradiation area: 5-8m²
- Dimensions: 28.3cm (Width) x 23cm (Height) x 12cm (Depth)
- Material: Die-cast aluminum
- Service life: 30,000 hours
- Degree of protection: IP65
