

Anti-Slip Tape 50mm x 5 meters Black

Model:HP-1227

Description:

Anti-Slip Tape is an easy, fast and highly effective way to increase the traction on steps and walkways and other surfaces that require a non-slip function, suitable for indoor or outdoor applications.

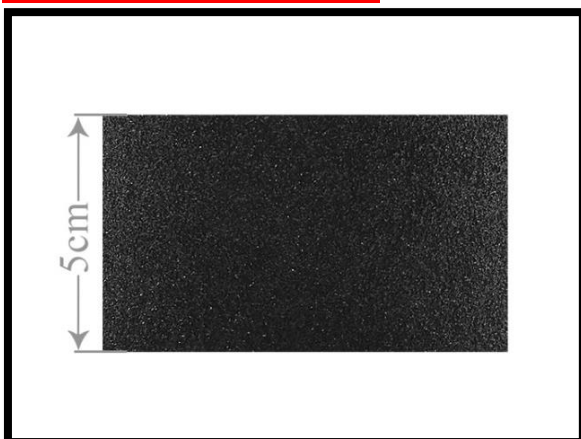

Features:

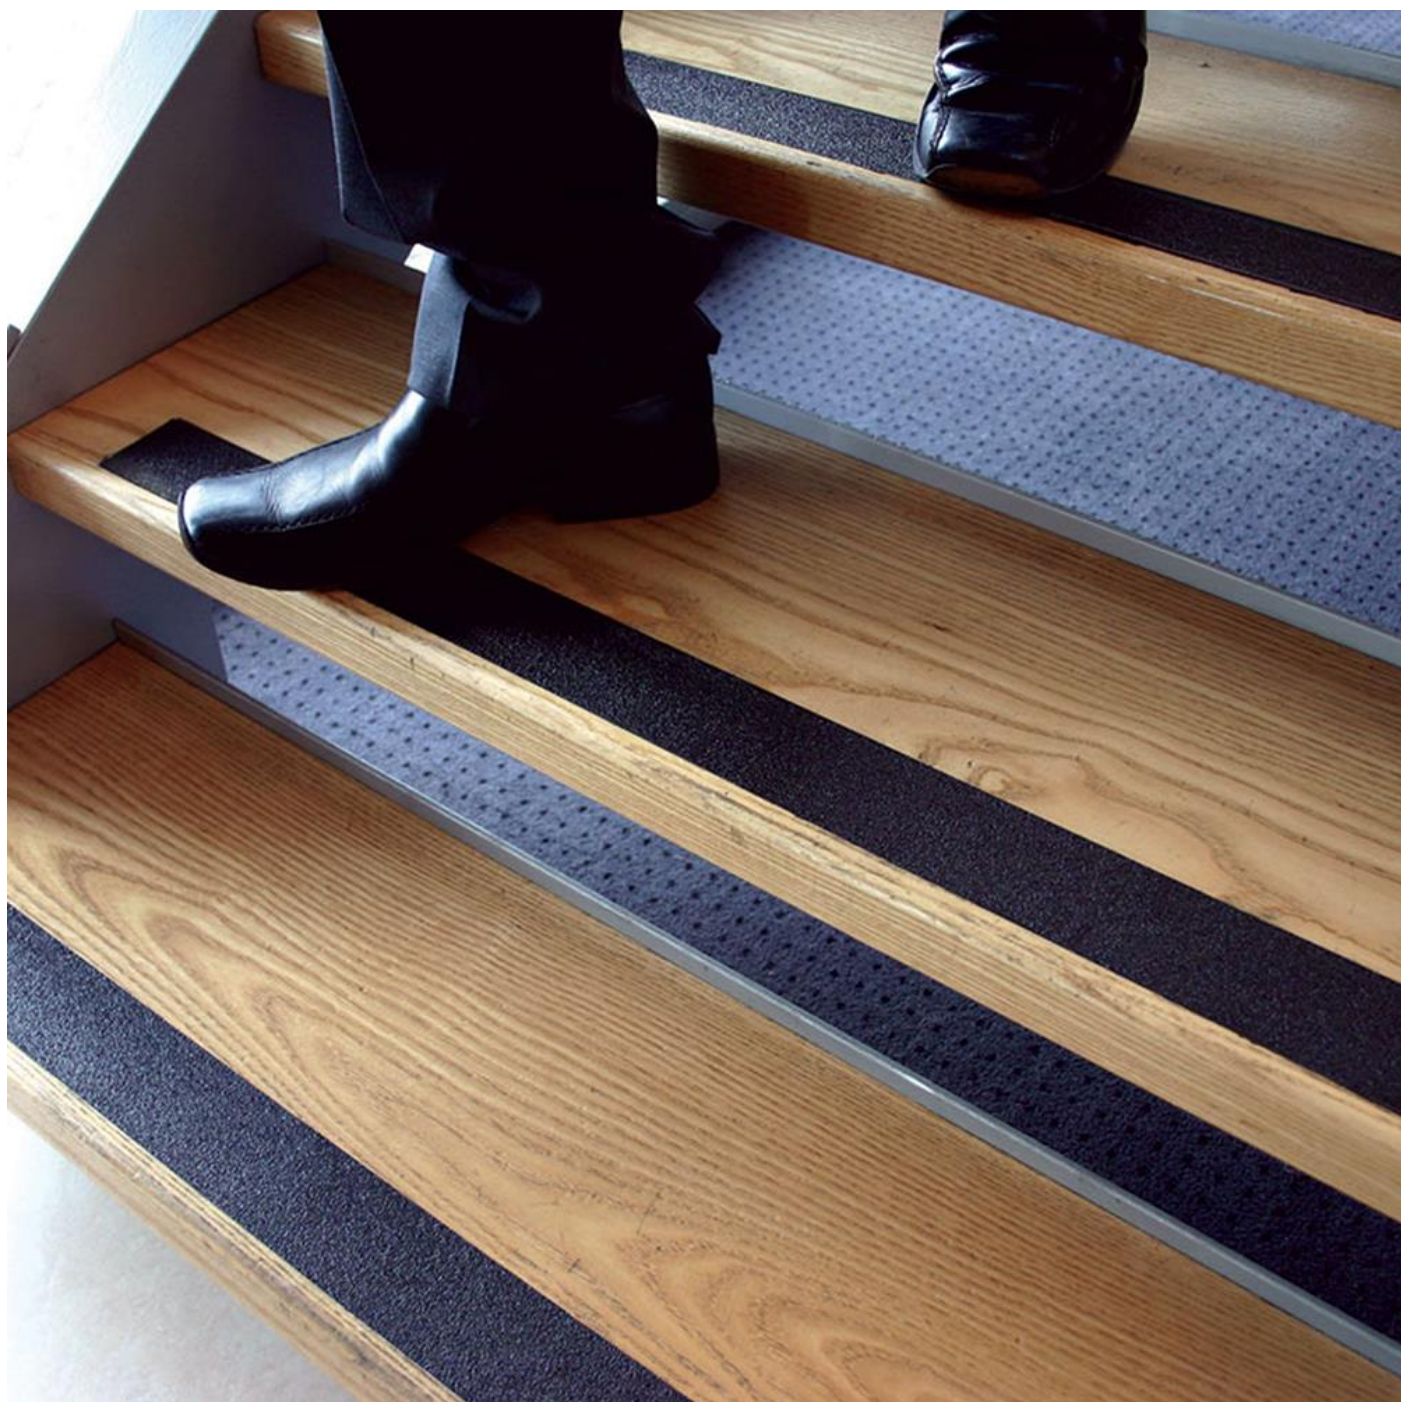

- Anti-Slip Tape improves traction and reduces the risk of injury due to slipping.
- Use on steps, desks, in wet areas and on walkways that are open to the elements.

Directions:

- Ensure that the surface that you wish to apply the tape to is dry and free of dirt and grime. Sand or scrape back to a clean surface if necessary.
- Cut the tape to the desired length.
- Remove the interlinear paper from the adhesive side of the tape and apply to the surface. Use firm pressure during application to achieve a strong bonds.
