

PS5 DualSense Wireless Controller

Features:

DualSense Wireless Controller

Discover a deeper gaming experience with the innovative new PS5 controller.

Heighten Your Senses

The DualSense wireless controller for PS5 offers immersive haptic feedback, dynamic adaptive triggers and a built-in microphone, all integrated into an iconic design.

Bring gaming worlds to life

Haptic feedback

Feel physically responsive feedback to your in-game actions with dual actuators which replace traditional rumble motors. In your hands, these dynamic vibrations can simulate the feeling of everything from environments to the recoil of different weapons.

Adaptive triggers

Experience varying levels of force and tension as you interact with your in-game gear and environments. From pulling back an increasingly tight bowstring to hitting the brakes on a speeding car, feel physically connected to your on-screen actions.

Find your voice, share your passion

Built-in microphone and headset jack

Chat with friends online using the built-in microphone - or by connecting a headset to the 3.5mm jack. Easily switch off voice capture at a moment's notice with the dedicated mute button.

Create button

Capture and broadcast³ your most epic gaming moments with the create button. Building on the success of the pioneering SHARE button, "create" offers players more ways to produce gaming content and broadcast their adventures live to the world.

A gaming icon in your hands

Take control with an evolved, two-tone design that combines an iconic, intuitive layout with enhanced sticks and a reimagined light bar.

Familiar features

The DualSense wireless controller retains many DUALSHOCK®4 features, returning for a new generation of play.

Built-in battery

Charge and play, now via USB Type-C®4.

Integrated speaker

Select games take on an extra dimension with higher-fidelity sound effects bursting from the controller.

Motion sensor

Bring intuitive motion control to supported games with the built-in accelerometer and gyroscope.

Click. Charge. Play.

Stay in the game and be ready to face your friends with the DualSense charging station.

Dock up to two DualSense wireless controllers quickly and easily with the charging station's click-in design. Your controllers charge as quickly as when connected to your PS5 console - so you can free up USB ports without sacrificing performance.

Specifications:

Input Power Rating:	5V -- 1500mA
Battery Type:	Built-in lithium ion battery
Voltage:	3.65V
Battery Capacity:	1560mAh
Operating Temperature:	5°C to 35°C
Weight:	Approx. 280g
Color:	White

Made in China
