

Honeywell ScanPal mobile computer android barcode scanner handheld android 8.1 PDAs Model:EDA50KP

Description:

The EDA50kp mobile computer is a new generation of enterprise-level products of Honeywell's Scanpal series, with high comprehensive performance, wide application fields, smooth running performance, and Android 8.1 operation. Operating system, large-capacity storage, excellent scanning performance, full Netcom data connection capability, support for dual-frequency LAN communication, can provide stable connection performance and continuous fast work response.

In addition, EDA50kp provides enough battery life to support the entire work shift or even longer. It adopts a 4-inch touch screen and a fully functional button area, which can Effectively improve the work efficiency of users. After field verification, EDA50kp can be used in logistics warehouses and transportation, retail warehouses and stores, manufacturing warehouses and inspections and maintenance, etc., bringing efficiency improvements to users.

Specification:

Operating System	Android 8.1
Processor Type	1.3/1.5 GHz quad-core
Style	Handheld Computer
Memory Capacity	2GB+16GB
Screen Size	12.7 cm (5.0 in)
Weight	295 g (9.52 oz)
Brand Name	Honeywell
Resolution	1280 * 720 High Definition
Touch screen	Multi-touch capacitive
Memory	2 GB RAM, 16 GB Flash
Barcode scanner	1D 2D Barcode Scanner
Battery	Li-Ion, 3.8V, 4000mAh
Camera	5.0-megapixel color camera with autofocus and LED flash
Bluetooth	BT 4.0
Blacklight	LED
IP Rating	IP64
Dimensions	172*73*21.8 mm
