

Silicone Treadmill Belt Maintenance Oil 30ML

Features:

- **100% SILICONE:**
100% silicone treadmill belt lubricant, custom formulated for an array of treadmills (home / personal, commercial / gym, compact, folding, etc.).
- **EASY TO APPLY:**
4oz EZ-Squeeze bottle with precision twist top simplifies the application process for your belt / deck; whether you call it lube, grease, oil, liquid, spray or gel, this NO ODOR product is the easiest treadmill lubricant to apply.
- **KEEPS YOUR MACHINE RUNNING SMOOTH & QUIET:**
Proper treadmill lubrication with this silicone lubricant reduces noise, eliminates belt hesitation & significantly extends the lifespan of your motor, reducing the need for maintenance/repairs.
- **WORKS WITH MOST BRANDS:**
For Nautilus, Epic, Horizon, Landice, Life Fitness, LifeSpan, New Balance, NordicTrack, PaceMaster, Precor, ProForm, Smooth, Spirit, True, Vision, Sole, Fuel, Lifestyler, Sportcraft, Star Trac, Weslo, Woodway, Schwinn, etc.
- **For home use:**
The home use treadmill is usually not frequently used but at long time intervals. The belt is easy to be aging and lead to determine a break.
 - If operate 1h or more each day, add lubricant oil each 20 days, 10-15ml each time
 - If operate 0.5-1h each day, add lubricant oil each 30 days, 10-15ml each time
 - If operate 0.5h or less each day, add lubricant oil each 60 days, 10-15ml each time
- **For gym use:**
The gym use treadmill is usually more frequently used, then the belt is easy to be worn down.
 - If operate 12h each day, add lubricant oil each 10 days, 20ml each time
 - If operate 8h each day, add lubricant oil each 15 days, 20ml each time
 - If operate 4h each day, add lubricant oil each 30 days, 20ml each time
