

DENON DJ

DN-HP700

High Performance Professional DJ Headphones

Denon DJ delivers a premium product with sound quality, style and performance that will surely make it the “must have” DJ headphone world-wide. The DN-HP700 Features an impeccably clean vibrant sound that will withstand the demands of high volume, while maintaining its sonic characteristics. We did not forget about comfort, style and reliability either. Soft padded ear cups able to swivel 90 degrees with pivot action design, conform to all head sizes. The headphones are housed in a black matte color shell and branded with the Denon DJ logo etched in both stainless steel cups. With fidelity, style, reliability and comfort, this should be your only pair of DJ headphones.

ADVANCED FEATURES

Dynamic, Closed Back Design

When monitoring high levels of sound, the DJ can count on the DN-HP700 to deliver an outstanding 1,700 mWatts of thumping power to each insulated and hermetically sealed ear cup.

Large 40mm Drivers

The DN-HP700 features one of the largest speaker drivers in its class to preserve superb audio fidelity even at high volumes with heavy bass.

Folding Design

The flexible joints allow you to fold the headphones to half their size for space-saving travel and protection.

Dual Size H/P Connector

The HP700 comes equipped with a nickel plated 1/4 adaptor (6.35mm) and is secured in place with its screw-on design. Once the adaptor is removed, the size becomes 1/8 (3.5mm) for use with portable media players.
