Logitech® Wireless Presenter R400

2.4 GHz Wireless Presenter with Intuitive Controls

Intuitive Slideshow Controls
Navigate through your presentation with confidence. Buttons are easy to find by touch. And its shape feels great in your hand.

Red Laser Pointer
Easy to see against most backgrounds.

Up to 50-foot (15-meter range)
Enjoy the freedom to move around the room and mingle with your audience for greater impact.

**Storable Plug-and-Play
2.4 GHz Wireless Receiver**
It's simple to get started—just plug the receiver into a USB port and use it right away. There's no software to install. When you're through, the receiver stores inside the presenter to make packing up easy.
