

Sculpt Mobile Mouse

Overview:

- Optimized for Windows

The Windows button on Sculpt Mobile Mouse is an exciting new feature that operates seamlessly with windows8. Simply press the Windows logo to instantly view the Start screen and access all of your favorite apps, just one click away.

- The perfect travel companion

Whether you're editing a presentation or connecting with friends online, Sculpt Mobile Mouse is a comfortable, familiar companion for your modern, mobile lifestyle. Its compact design and Blue Track technology, which works on virtually any technolosurface, make it the ideal device for the office or on the go.

Enjoy a clutter-free workspace at your desk or on your coffee table with this wireless, mini-USB connected mouse.

- Familiar design, high functionality

The classic shape of Sculpt Mobile Mouse and its 4-way scroll wheel make it intuitive to operate with either hand. Tilting the wheel left and right allows you to scroll horizontally, performing such tasks as navigating the Startscreen or moving through wide documents with ease.

<u>Specifications:</u>

Compatibility and Localization	
Interface	USB 2.0 Compatible
Operating Systems1	• Microsoft Windows [®] 8.1, Windows 8, Windows RT 8.1,
	Windows RT 8, and Windows 7
	 Macintosh Mac OS X v10.7-10.9
	Android 3.2 and 4.2
	1Advanced functionality not available with all devices and/or operating systems.
Top line System Requirements	Requires a PC that meets the requirements for and has
Top-line System Requirements	installed one of these operating systems:
	Windows 8.1, Windows 8, or Windows 7
	• 150 MB
	• USB Port
	You must accept License Terms for software download.
	Please download the latest available software version for
	your OS/Hardware combination.
	Internet access may be required for certain features. Local
	and/or long-distance telephone toll charges may apply.
	Software download required for full functionality of all
	features.
Compatibility Logos	 Compatible with Microsoft Windows 8 and Windows RT
	•Mac logo
Software Localization	Microsoft Mouse and Keyboard Center software may be
	installed in Simplified Chinese, Traditional Chinese, English,
	French, German, Italian, Japanese, Korean, Brazilian
	Portuguese, Russian, Iberian Portuguese, or Spanish. If
	available, standard setup will install the software in the
	default OS language. Otherwise, the English language
	version will be installed.
