

# Satellite Finder

**Model: SF-600**

## **Features:**

- Basic features same as SF-500
- Built-in rechargeable battery or external power supply
- Can update data through USB port
- Support USALS • Operating Voltage DC 12V

## **Specifications:**

- Frequency Range: 950-2150MHz
- Operating Temperature: 0°C ~ + 40°C
- Input Level Range: -65dBm~-25dBm
- Input Connector: F type
- Symbol Rate: 1 to 45Msps
- Impedance: 75Ω
- DiSEqC 1.0: Supported
- DC Power Supply: DC 12 ~20V

*Made in China*
