

Magnetic Project Mat

Description:

Repairs can be tough. You don't need missing screws making it worse. This Magnetic Project Mat is designed to make repairs easier. You won't lose screws and won't forget which screws go where.

Features:

- Magnetized to hold tight onto small screws.
- Dry erase surface lets you keep notes and stop mistakes.
- Reduces reassembly time by up to 40% while preventing errors.
- Magnetic surface is safe for hard drives and other modern electronics.

Applications:

- Use it as a workmate during cell phone repairs, and you'll be able to stop worrying about screw tracking and focus on the cell phone; all the screws will be right where you left them.
- For laptops with up to hundreds of screws, use the whole mat as a screw guide and keep careful notes to not get lost. It will serve you as a dutiful partner, and you will lose fewer screws.
