

RAM LAPTOP 2GB DDR3 HYNIX 1333MHZ Model: HMT325S6BFR8C-H9

Description:

Perk up any compatible notebook with some Hynix 2 GB SODIMM SDRAM, quality memory from one of the biggest brands in home computing. Compatible with any laptop or notebook computer with SODIMM connectivity, this memory is lightweight and sturdy, snapping into place without the need for any complicated tools or additional parts and spares easily. The memory runs at an efficient 1,333 MHz and is only 0.3-inches thick, so there is no need to worry about squeezing it into place in even the smallest notebooks. Compatible with both Mac and Windows operating systems, it is a lightweight, reliable, and useful addition that can add years of life to an aging machine.

Specifications:
